*Media owner, publisher and producer:* Republic of Austria / Federal Minister of Defence; Roßauer Lände 1, 1090 Vienna

Chief Editors: Peter Hofer, Reinhard Janko

Editors: Theresian Military Academy / Institute of Advanced Officer Training; Burgplatz 1, 2700 Wiener Neustadt

Layout and typesetting: Institute of Advanced Officer Training

*Basic direction:* **Headquarters Papers** is a peer-reviewed online publication series for applied military research and development and a platform for interdisciplinary exchange. It focuses on the challenges of command in future military operations, which is strongly influenced by urbanisation, digitalisation and artificial intelligence. The required mission command rounds off the spectrum of contributions.
