### to the Common Module Military Leadership (B)

The list of literature is not necessarily for students to read it. More likely, it is foreseen for the future Module Directors if they will conduct the semester (or parts of it) to get familiar with the topics.

### Literature:

1. Col. J. F. Königshofer, *Our Responsibility - push performance - promote personality*, BMLVS, Institute1/Theresan Military Academy, Wr. Neustadt 2015
2. The own national *Military Decision Making Process*
