Prigozhin's death – an online analysis by IISS

The deaths of Prigozhin and several other key Wagner Group figures in a plane crash appear to be a delayed reaction to his June revolt against the Russian state, but Putin remains in a difficult position and is under pressure to escalate his war against Ukraine.

Gegenoffensive vor Durchbruch? OberstdG Reisner analysiert die ukrainische Strategie | ZDFheute live

Was ist der aktuelle Stand der ukrainischen Gegenoffensive? Welche militärische Tragweite haben die jüngsten Erfolgsmeldungen aus Kiew? Und wie ist die Situation der Menschen in Gebieten, die derzeit evakuiert werden? Bei ZDFheute live ordnet OberstdG Markus Reisner die aktuelle Kriegslage ein.
